LIVEWELL GARFIELD COUNTY PHOTOVOICE : IMAGE TO ACTION MEETING

AN EVENT FOR COMMUNITY RESIDENTS, LEADERS AND POLICYMAKERS

During March 2013, twenty-two county residents and students explored their communities and took photographs related healthy eating and active living. The images they captured reflect key issues that affect the well-being of all Garfield County residents. Join us for an important and special evening to view the photographs and brainstorm solutions, priorities and resources to address the issues they frame. Input will assist in defining key strategies for the next three years of LiveWell Garfield County, a nine year initiative funded by LiveWell Colorado, a nonprofit organization.
