RE: September 11th Meeting

The September 11th meeting has been cancelled. Here is an update on our activities:

Project Update

The Action Park is almost 100% complete. We had a pre-opening on Sunday, September 3rd and Monday, September 4th. The park was packed! This week the contractor is working on 3 additional features and concrete repair. The Parks staff is working on grading around the perimeter of the park and electrical work to get the lights working. We plan on officially opening this Saturday, September 9th. We will have to close the park again at the end of September for more concrete repairs, since they can not be completed now, as the concrete in these areas still needs to cure.

We are currently working on hooking up electricity to the scoreboards. They should be operational very soon!

The netting at Deerfield Park playground has been installed. It looks great!

Penny Working for You Party

Staff is still working on the specifics of the party for Saturday, October 14th. At this point we know we will have an event at Deerfield at 10 AM, an event at Heinze at 11 AM, a BBQ and more at Davidson at Noon and then a demonstration and more at the Action Park at 2 PM. We really hope the board will participate with us to showcase all we have accomplished this season. If you are available to help on this day, please contact us.

Sales Tax Election

An election question forum is planned for October 5th, 7 PM at Rifle City Hall. Steve Carter and/or Ed Weiss will be presenting the pro statement for the sales tax retention question. Also, we need to send in statements to the City Clerk by September 22nd. I have attached the press release. Finally, we're still looking for someone to take the reigns on promoting this issue.

Strategic Plan

The Strategic Plan was approved by City Council on September 6th. It is posted on our website or citizen's can pick up a copy at our office.

Rules

Staff discovered that our posted sign rules could not be enforced until they were officially approved by City Council. They were all approved at their September 6th meeting.

Fall 2006 Activities Brochure

The brochure is currently at the printer and should be mailed out to Rifle residents by the end of next week.

Participant Numbers

PRAB requested recreation program participant numbers. I've attached the raw data. I did not have time to break up the numbers. If there are questions, please contact me or ask them at the next meeting.

Our next meeting is scheduled for September 25th.

Should you have any questions or concerns, please contact us.

Thanks.

PUBLIC NOTICE
ACCEPTANCE OF COMMENTS FOR BALLOT ISSUES

The City of Rifle is accepting “pro” and “con” statements regarding the following two issues:
