COMMENTS FROM THE PUBLIC: None

SENIOR CENTER REPORT: We will be purchasing card tables for the Senior Center. We will also be sponsoring the Glenwood Springs Community Concert Association in the amount of \$1,000 to receive 15 transferrable tickets to 5 shows. Christi wanted to know if the TV had been fixed. Aleks stated that it was the PA system and it is now working.

DEERFIELD COMPLETION PLAN: Design Concepts continues to work on the plan. A preliminary drawing of the disc golf course is included in the packet. It will be a good beginner course. Tom S. wanted to know where the nearest Pro course was located. Aleks thought that the one located in Silt was a Pro Course but was under water at one time from the river, there is also one at Spring Valley. Ed asked if part of the course was going to be on a hillside. Aleks explained that those were lots for a subdivision. Tom S. asked what the maintenance would be on the course. Aleks said that there would not be much maintenance. Ed also wanted to know if the dog park was included in the plan.

Aleks said that it was not in the plan, and possibly needed another location. Betty asked if there was a City ordinance requiring owners to pick up after their dogs.

TRAIL 16-13 UPDATE: The trail is complete and open. Staff is working on closing the grant. The project was under time and budget.

FINANCIAL STATEMENTS: Financial statements ending April are included in the packet. May sales tax was leveling out. Ed wanted to know if \$300,000 was kept as a retainage. Aleks stated that amount was from the School District for the Deerfield Concession Stand. Ed also wanted to know if money was still going to Centennial Park and wanted to know how the pool was doing. Aleks commented that the pool is doing Ok, there are always repairs needing made but business is good.

The next meeting is scheduled for July 12th with possible Strategic Planning.

OTHER: Christi asked if the bowling alley had closed. No one had heard of it closing. Tom S. stated the money for the Theater was only enough to repair the exterior of the building. For the purchase of digital equipment there could possibly be something leased by the City and Visitors Plan. Christi want to know if the School District would possibly contribute. Tom S. stated that they probably would not with their forcast and budget cuts.

Meeting was adjourned at 6:30 p.m. and a walking tour of Centennial Park was scheduled.
