

**SENIOR ADVISORY BOARD  
MINUTES  
TUESDAY, OCTOBER 15, 2019**

Present: Clarice Moore, Connie Castine, Betty Clifford, Joan Back, Sharon Taylor

Attending: Tami Sours

Excused Absent: June Renfro, Bobbie Dungan                      Absent: Pat Wood

Minutes from the September 17, 2019 meeting were read and approved as written.

**UNFINISHED BUSINESS:**

Grant for a new bus was submitted

Dinner in the Valley list has not had any new suggestions

Everyone that went to Burning Mountain Pizza loved the food and the 2-3 tables worked much better than one large table.

Suggest that we go to Central City instead of Blackhawk next time we schedule the trip. Blackhawk was full of construction and hard for the bus to get around. There is a free shuttle from Central City to Blackhawk for those that want to go there.

**NEW BUSINESS:**

Sales and Cans will be serving chili and cinnamon rolls at the craft fair. Tami was asked to put up a sign to ask for donated homemade baked goods.

Craft Fair will be November 9<sup>th</sup> from 9:00 – 3:00

**DIRECTOR'S REPORT:**

- Craft Fair is full waiting list for tables
- Dining room will be measured first part of November for new flooring
- Senior Trips will be planned every quarter, suggestions for trips are due before schedule is made

**CITY COUNCIL REPORT:**

- Joe did not attend the meeting but was appointed as our council rep again
- Whiteriver construction is confusing and never know when road will be closed

**OTHER COMMENTS:**

None

Meeting was adjourned at 1:19 pm
