

Hello from the management team at the new Rifle Metro Pool. We are super excited to announce that we will be opening to the public on Monday, June 15th 2020. Though this is not the circumstances that anyone hoped for, we have been diligently working with Garfield County Health to make sure we have all precautions in place to keep our guest safe as they enjoy the new facility.

The format of how we operate has changed due to the social distancing requirements. The hours, activities, and overall operations have changed. We have submitted our reopening plan to Garfield County Health and have received the go-head to bring guests into the facility.

Due to the requirements from state and local agencies tickets have to be pre-purchased. There will be no tickets sold at the pool and all ticket sales are final. Tickets will go on sale Monday, June 8th 2020 at 8:00 a.m. mountain standard time. Public will be admitted for open swim in groups of 75 with a session duration of 1 hour, 45 minutes, and a 15 minute exit and disinfection time between sessions. Please follow the links listed to purchase a ticket for the different activities;
